'Children and young people are at the centre of everything we do'

We use Restorative Practices to address unacceptable yard and class behaviour.

Restorative Practice places an emphasis on fostering and maintaining positive relationships. It is a proactive approach to behaviour development, building the capacity of all participants in the process

Our values of Respect, Relationships, Responsibility promote family, staff, student and community partnerships and open communication in order to support and teach appropriate student behaviour.

Students at the Port Lincoln Junior Primary School attend school to:

- Develop skills for lifelong learning
- Make friends and care for others
- Play and have fun
- Be honest and learn to take responsibility for inappropriate behaviours
- Prepare for the future
- Be safe

All staff at the PLJPS endeavour to create learning communities which are:

- Safe and secure
- Inclusive of all students
- Conducive of learning
- Enjoyable, offering decision making and choices
- Free from harassment and bullying

EXPECTATIONS OF YARD BEHAVIOUR

- Respect everyone's right to be and feel safe at all times
- Care for our school by keeping it clean and tidy
- Play in safe areas - stay inside school boundaries
- Walk around corners, down ramps
- Stop Look Listen when a staff member speaks to you
- When you hear the siren WALK to class
- Play safely and respectfully with others, free from Bullying and Harassment
- Take turns on the play equipment and use it safely
- Wear a hat to play in Terms 1 and 4

CONSEQUENCES OF INAPPROPRIATE YARD BEHAVIOUR

School responses to inappropriate yard behaviour may be one or a combination of the following:

- Rule reminder
- Time Out in the yard (ie sit out near yard duty teacher for 5 - 10 min)
- Walking with teacher on duty
- Restorative discussion in the yard or office
- Play Stop (followed by time in the office with staff member)
- Restricted Play program - this also applies if a student receives 3 Playstops in a 2 week period or 1 Playstop each week for 3 consecutive weeks. Restricted play means the child will spend time working on appropriate play skills under supervision of an adult during play time - leading to gradual successful reintroduction to whole school play times. In this case parents will be notified by phone and meet if necessary.
