INFORMATION PRIVACY STATEMENT

The Department for Education is committed to respecting the privacy of the information we collect about children, young people and their families. The information we collect from the school enrolment form helps us:

- maintain emergency contact information
- inform you about matters concerning your child, their school, and the education system

The information you provide on this form can help your child's school make planning and resourcing decisions. **Questions marked * on this form are included to collect information required under the Australian Education Regulations 2013.**

Information from this form is stored securely in local school and department databases and files. The information may be transferred between schools if your child moves schools or locations between levels of education. Transferred information is updated by information provided on the current enrolment form. Data will also be shared with the Australian Government and the Australian Curriculum, Assessment and Reporting Authority (ACARA) where it is required by law for purposes such as NAPLAN testing.

We will collect data about student education and wellbeing from enrolled students, including:

- records of learning progress (including NAPLAN testing)

To make sure our data collection is secure, private, and confidential, we are governed by legislation including:

- *State Records Act 1997 (SA)*

Our contracts with any external organisations who need access to data about a child include strict confidentiality and disposal provisions.

The school enrolment form has been designed to ensure a parent or legal guardian complies with their obligation to provide information under the *Education and Children's Services Act 2019 (SA)* and to ensure the department complies with the Information Privacy Principles (IPP) www.dpc.sa.gov.au/resources-and-publications. Section 137 of the *Education and Children's services Act 2019 (SA)* regulates the disclosure of personal information held by the department and is consistent with the IPPs. The department will not disclose personal information to others without your consent, unless required or authorised by a law of the State or Commonwealth, or under the IPPs or the Information Sharing: Guidelines for Promoting Safety and Wellbeing (ISG) www.dpc.sa.gov.au/responsibilities/information-sharing-guidelines (refer below for more information).

INFORMATION SHARING STATEMENT

There are situations when the Department for Education might need to share information externally. For example, when it's important to your child's educational progress, or to manage a risk of serious harm to others. These situations are addressed by the Information Sharing Guidelines for Promoting Safety and Wellbeing (ISG).

Under the ISG, we will seek your consent to share personal information about you or your child unless:

- disclosure is authorised or required by law
- it's unsafe or impossible to gain consent or consent has been refused
- not sharing the information will result in increased risk of serious harm to someone.

Your school may share information about your child's personal needs with specialised department staff, including Student Support Services. This is to help your school provide an appropriate education program and make teaching and learning adjustments for your child if needed.

Your school may also use the information you provide when applying for specialist resources, services, or funding to support your child's education. The school will seek your consent before making any formal referrals for additional support.

The aim of information sharing under the ISG is to protect and promote the safety and wellbeing of children, young people, and their families. We work with you and other agencies/services to achieve this aim. We strongly encourage you to share all relevant information about your child that can help them enjoy and benefit from education. You can do this by:

- filling in the 'any other information' section of this form
- discussing any concerns with staff when enrolling and in the future.

Where required, your school may need to share key information in relation to your child (their name, date of birth, class, and student ID number) with an external service provider engaged by the department to produce a student ID card for your child. External services providers follow strict confidentiality and disposal provisions. By signing below, you consent to this information being shared for this purpose. **If you don't consent to this information being shared, please contact the school directly to discuss options available.**

I have read and agree with the above information privacy statement and information sharing statement.
