Term Two, Week Four 2026

Top News

In week two, Room 4 were on chicken duty. On Wednesday during their STEM lesson, students cooked the eggs they had collected.

They had the option to try them boiled, fried, scrambled or to make them into mini quiches. It was a fun, hands-on learning experience that everyone enjoyed.

Room 5 Maths Learning.

To start Term 2 in Maths, Room 5 have been learning about addition and subtraction. They have been playing games that focus on doubles and near doubles, and exploring one more or one less than double.

Literacy Learning

Foundation students from Room 13 have had a great start to Term 2. They have been reviewing the sounds they learnt in Term 1 and are continuing to practise reading and writing words.

from the Principal

Dear Families,

As we move through Term 2, we look forward to two important events that reflect the values of connection, belonging and wellbeing within our school community.

Next week, we will acknowledge National Reconciliation Week and Reconciliation Day as an opportunity to learn, reflect and strengthen our commitment to building respectful relationships with Aboriginal and Torres Strait Islander peoples. At Port Lincoln Junior Primary School, we are proud to continue growing our understanding of Barngarla culture and history and to create a school where every child feels a strong sense of identity, belonging and respect. Reconciliation is about walking together, listening, learning and ensuring all students feel seen, valued and connected.

We also look forward to Walk Safely to School Day. This event is a wonderful reminder of the importance of healthy lifestyles, road safety and spending time together as families and community. We encourage students, where possible, to walk, ride or scoot safely to school with a trusted adult. These simple routines support student wellbeing, independence and readiness for learning while also helping students build positive habits for life.

Thank you to our families for your continued support in helping us create a connected, inclusive and caring school community. We look forward to sharing these important experiences together.

Ball Skills in PE

This term in PE, students are developing their ball skills through netball and basketball stations. Stations are set up to give students opportunity to practice key skills such as passing, catching, dribbling, and shooting goals. These activities help build coordination, teamwork, and confidence in game situations.

Wellbeing Wednesday with Blanche

Students have been working on making a Fairy Garden with Blanche on Wednesday afternoon.

A Big Thank You to the team from Bunnings for visiting our school and assisting with gardening around our Chook Nook. We are very grateful for your generosity in donating plants, garden beds, and soil, as well as for the time and care you put into transforming the space. Your support has made a wonderful difference, and our students are already enjoying the improved area.

JOIN OUR GOVERNING COUNCIL

At Port Lincoln Junior Primary School, our Governing Council plays a vital role in shaping the direction and success of our school. Made up of parents, staff and the Principal, the Governing Council provides an important opportunity for families to have a genuine voice in decision making and school improvement.

The Council works in partnership with the school to support key areas such as:

- School priorities & improvement planning
- Budget oversight & resource allocation
- Policy development & governance
- Strengthening connections between school & community

The Council has also played an important role in:

- Supporting improvements to our outdoor learning spaces, including seating and play area
- Securing funding to promote inclusion and connection spaces
- Strengthening community engagement through school events & partnerships

We warmly encourage all families to consider joining. Being part of the Governing Council is a great way to:

- Support the voice of families in your child's education
- Connect with other families & staff
- Contribute to the continued success of our school

In 2025, our Governing Council supported a number of exciting and meaningful initiatives. A highlight was the development of our **Recycling Centre** and **"Chook Nook"**, a project driven by student voice and supported through community partnerships and volunteer efforts. This initiative has created authentic learning opportunities for students in sustainability and environmental responsibility.

JOIN NOW

Our Governing Council meets **twice a term on Wednesdays at 5:30pm for approximately one hour**, making it a manageable and meaningful way to contribute to your child's school. Your perspective matters, and we would love to have you involved in shaping the future of Port Lincoln Junior Primary School.
